

## Thank you!

In 2022, the Health Center Foundation (HCF) raised over \$37,000 that helped purchase a new Vascular Ultrasound unit a valuable diagnostic imaging tool that assesses the body's circulatory system to identify blood clots and blockages in the veins and arteries. It took everyone working together to accomplish this and we cannot thank you enough for your support!

We are reaching out to you for your help again this year as there is another critical project the HCF has committed to supporting. That is to purchase a new MRI Scanner. Magnetic Resonance Imaging or an MRI creates images of the body and is a vital tool in the diagnosis and treatment of neurological conditions. It is safe, noninvasive, and provides detailed images allowing doctors to have a clear picture without resorting to procedures such as biopsies.

## More than just a foundation...

For over 35 years, the HCF has supported the residents of Cheyenne County and surrounding areas by assuring their mission focus, 'Access to quality healthcare in a modern facility, staffed by professionals working together to provide the most complete care available.' This access is possible through the generous donations of community-minded leaders like you.

## Projects the HCF have help to fund include:

- Vascular Ultrasound
- Digital Breast Tomography
- 3D/4D Ultrasound unit
- Critical medical equipment
- Ongoing education for providers
- Extended Care facility improvements
- Summer Internships
- Scholarships
- Orthodontia program
- Reach Out and Read program!
- and much more...

## Donate now to a great cause!

The HCF proudly supports learning opportunities that develop our next generation of providers striving to grow our own! Programs like the statewide recognized HCF Summer Internship. A powerful program for college level students to learn how a rural healthcare system functions by shadowing every aspect of the organization. There are also scholarship opportunities from the Thayer Family and Robert P. Goodwin designed for those pursuing careers in healthcare with plans to return to the panhandle to provide patient care. Without your generosity and support, these programs would not be possible.

Our biggest event, the Annual Golf Tournament, is celebrating its 19<sup>th</sup> year. **Scheduled for Saturday, July 22, 2023, at the Hillside Golf Course**, we hope you will join either as we raise money for the MRI Scanner used in the noninvasive diagnosis of neurological conditions by either being a sponsor, donating to the cause, or participating during the tournament. Sponsorship opportunities follow, mail checks to:

**Health Center Foundation  
1000 Pole Creek Crossing  
Sidney, NE 69162**

**Or you can go online to: [www.sidneyrhc.com/donating-to-a-great-cause](http://www.sidneyrhc.com/donating-to-a-great-cause)**

For more information, please contact Evie Blackburn at [eblackburn@sidneyrhc.com](mailto:eblackburn@sidneyrhc.com) or (308) 254-5077. We thank you for your time and continued support.

Sincerely,

*Bill Butkus*
